

## CoPE (Certificate of Personal Effectiveness)

**Subject Leader: Mrs Davoile**

**Work Experience: Mr Van Weenan**

**Higher Level Teaching Assistant: Miss Jackson**

The Certificate of Personal Effectiveness (CoPE) is offered at Level 1, 2 and 3. Levels are structured around six main skills units, as well as a series of challenges which are personalised around the interests of the learner and their two day Work Experience placements. The qualification promotes a wide range of personal qualities, abilities and achievements, as well as introducing them to new activities and challenges. Students create a portfolio of evidence for this qualification and there are no exams.

The order in which we deliver the units may vary depending on opportunities that arise and preferences of the students
