

## PE

### Key Stage 3

(1x45 minute and 1x hour and half lesson per week)

Subject Leader: Mr Zinkus

Additional subject teachers: Mr. Cresser, Mrs. Bird

Teaching Assistant: Mr. Hind

At Key Stage 3, we aim to offer students a broad curriculum in order to offer experiences of as many different physical activities as possible. PE is an opportunity for students to develop an understanding of how their body works and moves; it allows them to learn in a practical context. In light of our students' additional needs, the PE curriculum is aimed to help develop team work, socialisation and communication skills. Students are taught PE in blocks of physical activity so they can improve their skills over a suitable length of time and progress both physically and mentally, with greater tactical and technical understanding of each activity.

(Key stage 3 PE lessons)

	Autumn Term1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
Year 7	Gymnastics	Tag Rugby	Hockey	Basketball	Tennis	Athletics
	Multi-Skills	Boccia	Badminton	Healthy Active Lifestyles	Orienteering	Cricket
	Football	Table Tennis	Dance	Yoga	Fielding Games	
Year 8/9	Football	Tag Rugby	Hockey	Healthy Active Lifestyles	Tennis	Athletics
	Gymnastics	Table Tennis	Badminton	Basketball	Fielding Games	Cricket

### Key Stage 4 (1x45 minute and 1x hour and half lesson per week)

In these lessons we further develop our students' physical and mental capabilities. Our aim is to inspire students to find an activity they could continue after they leave our school.

Corley Centre also offers a BTEC Level 1/2 first award in Sport; this is a GCSE equivalent and is a way for students to develop their understanding of Sport, Coaching and the Science of Sport. It is taught and assessed through internal coursework and a 1-hour external exam. The PE department is very proud of its students results; our students have received some of the highest level qualifications in the school.

In year 11 all students complete an Entry Level in PE qualification, although this is not a GCSE equivalent it provides them with a qualification for the practical elements of PE that they participate in. This course gives students the

choice to be assessed in four sports of their choosing. The lessons and sports delivered are therefore flexible throughout the year and are dependent on the cohort; although the list below incorporates most of their choices.

	Autumn Term1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
Year 10	Football  Fitness	Badminton  Dodgeball  Table Tennis	Hockey  Basketball	Tag Rugby  Parkour	Tennis  Softball	Athletics  Cricket
Year 11	Tag Rugby  Fitness	Tag Rugby  Table Tennis	Football  Hockey  Badminton	Basketball  Boccia  Dodgeball	Tennis  Softball	Athletics  Cricket

(Cross Country event, Indoor Rowing, Tennis Tournament at SEND Active events and Level 2 Sainsburys School Games event)

At Key Stage 5, PE staff support the delivery of the practical element of the Duke of Edinburgh Award. Students will learn a new activity during this time and have to record their progress in activity over an extended period of time.

(Football Team at SEND Active Football Tournament)

As well as curriculum PE, students also get the opportunity to participate in extracurricular Sport. As a school we have compete in a large variety of sports including Football, Basketball, Tag-Rugby, Swimming and Boccia. We encourage as many students as we can to participate in extra sporting opportunities but in some activities we do select teams that best represent the talent of our school. Most of these events are part of the SEND Active calendar of sports. More information about SEND Active can be found on their website: <http://sendactive.org/>.

We also compete in The School Games events; these are run both within our school and externally, when we compete in Level 2 and Level 3 competitions. These provide our students with further opportunities to represent their school in Sport and allow them to socialise with a variety of students, from both our school and others whom they may be competing against. More information on The School Games can be found on their website: <https://www.yourschoolgames.com/how-it-works/>

The PE department and Corley Centre are very proud of our most recent achievement. Due to the high quality delivery of PE and extra-curricular provision of different sports teams. We have been awarded the School Games Silver Mark. This nationally recognised award celebrates the diverse range of sports we offer here at Corley Centre and the inclusion of students in different extra-curricular Sports events.

(Street Dance at SEND Active event)

(Great Britain Wheelchair Rugby supporting PE lessons)

Although we try to stay to the planned sports set out above; due to weather, timetabling and facilities this is not always possible. Students will always be informed before a school holiday of what sports they will be taught the follow term.
