Artist study Landscape Banksy

Banksy is a Bristol-based graffiti artist, political activist, film director, and painter.

His street art is famous for his dark humour created by using a distinctive stenciling technique. Such artistic works of political and social commentary have been featured on streets, walls, and bridges of cities throughout the world.

Banksy's works show a range of political and social themes, including anti-war, anti-capitalism, anti-fascism etc.... Additionally, he also shows components of the human condition that his works commonly critique are greed, poverty, boredom and despair.
