Policy Addendum reviewed remotely and agreed by governors on: 18.05.20

*The vast majority of students attending Corley Centre have a diagnosis of Autism.  
This must be taken into account when reviewing and implementing all policy procedures.*

# 1 Introduction

1.1. This policy is an addendum to the school's main Safeguarding and Child Protection Policy and is intended for use during the COVID-19 emergency period only.

1.2 We continue to recognise that safeguarding and child protection is an essential part of our duty of care to all students and that we have a responsibility to safeguard children, whether they are on-site or staying at home. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and everyone has a role to play in protecting children. We continue to promote a culture of vigilance, where staff and volunteers act immediately if they have safeguarding concerns about a child. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider the wishes of, and at all times, what is in the best interests of each child.

1.3 Due to the nature of the emergency we are facing and the changing threat from COVID-19, this policy is regularly reviewed and updated to ensure that the school is compliant with;

- All relevant legislation and statutory guidance;
- government guidance relating to the COVID-19 outbreak; and
- guidance from the Coventry Safeguarding Children's Partnership (the Local Authority, the local clinical commissioning group and the chief office of police).

1.3 All staff will be made aware of this policy and updated regularly on further developments.

1.4 Further information about the government's approach to COVID-19 can be found here: <https://www.gov.uk/coronavirus>

1.5 The purpose of this policy is to;

- Promote safeguarding and child protection and demonstrate the school's commitment to keeping children safe whilst operating under emergency measures related to COVID-19;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm during this time;
- Provide stakeholders with clear information relating to the school's safeguarding and child protection procedures during the COVID-19 outbreak; and
- Ensure that children are protected from maltreatment or harm.

1.5 Corley Centre is committed to the following principles at all times;

- All children have the right to be protected from harm;
- The best interests of children will always continue to come first;
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm;
- If anyone in school has a safeguarding concern about any child they should continue to follow usual procedures and must act and act immediately;
- A Designated Safeguarding Lead or a Deputy Safeguarding Lead should be available; and can be contacted by calling 07472471825.

- Working with other agencies (such as Children’s Services and the Virtual School) is essential to promote safeguarding and protect children from harm.

1.6 We continue to be subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have “due regard” to the need to prevent people from being drawn into terrorism and will refer to appropriate services if we are concerned a child is being radicalised.

1.7 We continue to fulfil our duties under Section 5B of the FGM Act 2003, as inserted by section 74 of the Serious Crime Act 2015.

2.2 Corley Centre is currently closed as a result of this the Designated Safeguarding Lead will ensure all students on roll have contact from staff, at least once every week.

Learning opportunities to continue at home through work packs provided, including Year 11 and Post 16

- Home visits, if need to be taken, will be taken by x2 staff. This will be doorstep visits, but children MUST be seen.
- Clear recording of information so that it is available for those who need it.

It is essential that there is maintained contact between staff; staff to check emails at least twice daily and seek advice if you have a concern.

2.3 The school adheres to government guidance on 'key workers'. For further information relating to key workers, see guidance here: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

2.4 Corley Centre currently remains closed. The school has given careful consideration to which children need to continue to attend school, in order to ensure children are safe and to minimise the spread of COVID-19. Parents of children who are deemed to be vulnerable, as per government guidance are supported and whilst school is closed. If their situation changes, school will respond accordingly and further support will be provided.

2.5 Each child has been considered on a case-by-case basis and an assessment of risk has been made, with relevant external agencies, parents and the Local Authority, to decide if a child should be on site or not. The school considers children to be vulnerable and may need to attend if they are;

- Children on Child Protection Plans; Children in Need; Looked-After or Previously Looked-After; and
- Children with SEND (with or without an EHCP), who would be safer at school than at home.

2.6 Children other than those above may be considered vulnerable and some children will become vulnerable during the time that the school is closed. The school will continually review which children will attend school, in line with local and governmental guidance.

2.7 Additional support may be put in place to safeguard;

- Children vulnerable to CE/Contextual safeguarding issues and those in receipt of early help; and

- Children who are homeless/living in temporary accommodation, refugees and asylum seekers and young carers.

2.7 There is an expectation that children who have a social worker will continue to attend school, unless they have an underlying health condition that will put them at severe risk. Children with a social worker are aware that Corley Centre is currently closed and the support that is in place.

2.8 Where parents of the children referred to in paragraph 2.7 are concerned about the risk of the child contracting COVID-19, Corley Centre, in partnership with the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

2.9 The school will follow government guidance to support children who are usually in receipt of free school meals. Further information can be found on this here:

<https://www.gov.uk/government/publications/covid-19-free-school-meals-guidance/covid-19-free-school-meals-guidance-for-schools> Corley Centre school Business Manager is responsible for supporting parents in obtaining FSM vouchers.

2.10 Some children will have existing vulnerabilities and will not attend school. In the case of these children, the school will be called at least once a week and contacted via email at least every 2-3 days.

2.11 All children (regardless of vulnerability) will be contacted at least weekly by the DSL. More frequent contact will be made by students' mentor via email or a call.

### **3 Local Safeguarding Arrangements**

3.1 The school will ensure that it is aware of any changes to local safeguarding arrangements through existing channels of communication with the Local Authority and the wider Coventry Safeguarding Children Partnership.

3.2 The school continues to operate under Coventry Safeguarding Partnership policies and continues to use the '[Right Help Right Time](#)' guidance when considering if children require additional support or statutory intervention.

3.3 This policy will be regularly reviewed and updated to reflect any changes in local safeguarding arrangements.

## **4 Roles and Responsibilities**

### **4.1 The Governing Body and/or Proprietors**

4.1.1 The Governing Board continues to monitor the school during this period of emergency closure. Governors are kept fully informed and their advice sought by [Mark White](#), Headteacher. Vice Chair of Governors is representing the school in Local Authority governor updates via conference call. Governors continue to have oversight of leadership in the school. Governor meetings will recommence in Summer 2.

### **4.2 The Role of the Headteacher**

#### **4.2.1 The headteacher will;**

- Ensure that this policy is regularly updated in line with evolving government and local guidance relating to COVID-19;

- Ensure that this policy and associated procedures are adhered to by all staff;
- Ensure that all adults coming into contact with children at school have been subject to the appropriate safer recruitment checks;
- Respond to allegations of abuse against all other members of staff; and
- Ensure that staff on-site and off-site have regularly updated training to ensure that they are aware of local safeguarding arrangements.

4.2.2 In the event that the headteacher is unavailable either on-site or remotely, the above responsibilities will be completed by the Deputy Headteacher.

### **4.3 The Role of the Designated Safeguarding Lead (DSL)**

4.3.1 The role of the DSL is outlined in the main school Safeguarding and Child Protection Policy and in [Keeping Children Safe in Education \(2019\)](#).

4.3.2 In addition to their usual duties, the DSL will also have regard to the additional mental health issues that pupils on-site or off site may be experiencing as a result of COVID-19 and provide/arrange support for pupils as necessary.

4.3.3 Wherever possible, a trained DSL (or deputy DSL) will be available on site or off site as school is closed. Where this is not possible due to staff self-isolation, a trained DSL (or deputy DSL) will be available to be contacted via phone or online video.

4.3.4 In the event that the DSL and the DSL/s are unable to work remotely due to illness, an appropriate senior leader will take responsibility for co-ordinating safeguarding on site. or off site as school is closed. This could include, but is not limited to, updating and managing access to safeguarding and child protection files and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments. Remotely where possible and Information will be passed to the DSL as soon as practicably possible.

4.3.5 Arrangements for contacting the DSL/DDSLs will be shared with staff before 9am each day, as well as any relevant safeguarding and child protection updates and training.

4.3.6 The government has acknowledged that DSL refresher training is very unlikely to take place during this emergency. All DSLs and DDSLs that have previously been trained will continue to be classed as DSLs even if they miss their refresher training, in line with current government guidance. All DSLs and DDSLs will keep up to date with the latest safeguarding information and guidance through via e-bulletins, Local Authority e-bulletins and taking time to read and digest safeguarding developments.

### **4.4 The Role & Responsibilities of all Staff within School**

4.4.1 All staff, whether on-site or working from home, will;

- continue to operate under the principles of the main school Safeguarding and Child Protection Policy, the staff Code of Conduct, all relevant legislation and statutory guidance and continue to have particular regard to Keeping Children Safe in Education (2019);
- will continue to promote a culture of vigilance and refer all safeguarding concerns to the appropriate person immediately;
- adhere to all government, local and school advice relating to hygiene, response to COVID-19 symptoms and self-isolation;
- seek advice from the Designated Safeguarding Lead if they are unsure; and

- All teachers should safeguard children’s wellbeing and maintain public trust in the teaching profession as part of their professional duties (Teaching Standards, 2012).

## 5 Responding to signs of abuse

5.1 Information relating to types of abuse and signs and symptoms of abuse can be found in Corley Centre’s main safeguarding and child protection policy and [Working Together to Safeguard Children \(2018\)](#).

5.2 All staff and volunteers will continue to be alert to indicators of abuse and will report any concerns to the appropriate member of staff immediately.

5.3 If a member of staff, parent/carer or member of the public is concerned about a child’s welfare (whether they are attending school or not), they should report it to the designated safeguarding lead as soon as possible. If the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children’s Social Care, where possible there should be a conversation with the Designated Safeguarding Lead via telephone or online video call, if they are working from home. If there is no DSL available, concerns should be reported to Headteacher on 07535432295 referral channels – remember that a member of the public/family member may wish to report a concern about a child not currently onsite

5.4 Most children are not currently attending school. The school recognise that children who are not attending school may need to make a disclosure or want to seek help from a trusted member of staff. The school will provide mentor contact details and share all support networks via the school website and the school Twitter page.

5.5 If anyone other than the Designated Safeguarding Lead makes a referral to children’s social care or to the police, they should inform the DSL as soon as possible.

5.6 If the school is concerned that a child is at risk of significant harm, we will seek advice from Coventry’s Multi-Agency Safeguarding Hub (MASH) and make a referral to this service if necessary. Coventry’s MASH continues to be fully functional in terms of its safeguarding responsibilities.

5.7 Referrals to the Multi-Agency Safeguarding Hub can and should still be made for children at risk of harm using the online Multi-Agency Referral Form (MARF).

**MASH Telephone number:** 02476 788 555

**MASH online referral form:** <http://www.coventry.gov.uk/safeguardingchildren>

**Out of hours Emergency Duty Team:** 02476 832 222

**Prevent/Channel Referrals:** Refer to MASH ([mash@coventry.gov.uk](mailto:mash@coventry.gov.uk)) and to

[CTU\\_GATEWAY@west-midlands.pnn.police.uk](mailto:CTU_GATEWAY@west-midlands.pnn.police.uk)

5.8 The school will continue to receive Operation Encompass reports as long as the police have capacity to offer this service. The school will risk assess each report on a case-by-case basis and continue to operate as usual in response to reports, unless instructed otherwise by the police or Local Authority. This information will be recorded on the child’s safeguarding and child protection record as usual. If a child is attending a partner school or hub, this information will be passed to the DSL at the host school. This is constantly under review and the school is being regularly updated on any changes by the local Operation Encompass Co-ordinator.

5.9 All services are under increased pressure during this period of emergency. However, the school recognises that safeguarding continues to be of paramount importance and will work with other agencies in order to ensure children are safe. If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the [Coventry Safeguarding Children Partnership's Escalation and Resolution of Professional Disagreements policy](#) to ensure that our concerns have been addressed and that the situation improves for the child.

## **6 Peer on Peer Abuse**

6.1 Corley Centre understands that both adults and other children can perpetrate abuse, and peer on peer abuse is taken very seriously. Peer on peer abuse can include bullying, cyber-bullying, physical abuse, sexting, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as peer on peer abuse.

6.2 During this time, staff will continue to be vigilant in reporting any concerns relating to peer on peer abuse to the DSL.

6.3 If we have children of different age groups are working together that normally wouldn't be staff where possible will divide students present into groups where they are of similar ages. Students will be supported at all times. Students where a concern about peer on peer abuse exists will keep students in line of sight and on a supervision card at all times.

6.4 The school's revised approach to peer on peer abuse is informed by the principles set out in Part 5 of Keeping Children Safe in Education (2019).

## **7 Online Safety**

7.1 The school recognises that children both on-site and off-site are vulnerable to abuse and radicalisation online. Children who are at home may be spending more time online and this increases their vulnerability.

7.2 Corley Centre recognises that additional safeguarding arrangements are required to ensure that children are safe online at this time. Parents are provided with information on how to keep their children safe, online whilst not in school.

7.3 Governors will review arrangements to ensure that they continue to be appropriate.

7.4 Online activity in school will continued to be monitored through our usual IT monitoring systems. When school reopens, All Online alerts are sent to the school business manager who then passes them onto the DSL. If raised as a serious concern. The DSL will go straight to the identified computer and risk asses whilst there the actions to be taken. 7.5 Children who are not attending school.

7.5 Corley Centre teaches its students about on line safety through the pastoral programme, school assemblies and in ICT/computing lessons. Parents are supported with materials to access online. These services are brought to parents' attention via bulletins, newsletters, parents evenings and through support vis the family support worker.

7.6 Students at Corley Centre have been provided with work packs to complete whilst working at home. Students have been directed to use TWINKLE and GCSE POD.

- Parents have been advised on suitable websites for children via the school website/Twitter page.

7.7 We have reviewed the staff Code of Conduct and information sharing policy to reflect the current change in circumstances and increased use of technology.

7.8 Staff have received information on the new and updated Code of Conduct, either on-site or remotely.

7.9 A list of useful sources of information relating to online safety is including in Appendix B of this policy.

## **8 Record-keeping**

8.1 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will continue to be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

8.2 Corley Centre keeps all safeguarding files on a hard copy, Confidential conversations are recorded on Behaviour Watch.

8.3 if children are attending at a different school/hub, They will be supported by a member of staff from Corley Centre who will be briefed on a need to know basis any safeguarding information.

## **9 Attendance**

9.1 The school adheres to government guidance, which states that parents should keep their children at home, wherever possible, and that schools, colleges and early years settings should remain open only for children of critical workers and those deemed to be vulnerable, as outlined in Section 2 of this policy.

9.2 As such, Corley Centre will not be following our usual attendance procedures and non-attendance will not be managed in the way that it normally would and children should not attend unless there is an agreement with the school.

9.3 The school will work with families and social workers to agree whether children should attend school or not. If it is agreed that a child should attend and they do not, the school will follow this up with parents/carers.

9.4 The school will follow up with any parent or carer who has arranged care for their children and the children subsequently do not attend.

9.5 If children who should be attending school develop symptoms, they will be asked to remain at home. In the event that this happens, we will contact them weekly and provide parents with all methods of communication.

9.6 The school will take the opportunity when communicating with parents and carers to confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

9.7 In all circumstances where a vulnerable child does not take up their place at the school, or discontinues, we will notify their social worker.

9.8 Some children may have existing vulnerabilities but will not attend school (those with underlying health conditions, for example). In this case, the school will ensure students are contacted at least once a week by the DSL. Mentors and other key staff known to the child will contact every 2-3 days.

9.9 The school will record pupil daily attendance using the attendance tracker provided by the government, rather than our usual attendance tracking systems.

## **10 Children attending Alternative Provision**

10.1 All alternate provision is on hold whilst school is closed.

## **11 Children from other schools**

11.1 If children move to Corley Centre from another setting, we will request SEND and safeguarding and child protection information for that child, the risk assessment determining if the child should be in attendance or not and details of support in place. This includes, but is not limited to, Education and Health Care Plans (EHCPs), Child in Need plans, Child Protection plans, Personal Education Plans and details of professionals involved with the child.

11.2 For looked-after children, the change in school will be led and managed by the Virtual School Head with responsibility for the child (see front of policy for details).

11.3 This information will be requested and should be sent to the school prior to the child's arrival by the Designated Safeguarding Lead, the SENCO or an appropriate senior manager in their absence.

11.4 We will liaise closely with the Local Authority, the Virtual School and social workers in the event that a child moving to the school has either an Education Health Care Plan and/or is a Looked After Child.

11.5 safeguarding information for children from other schools will need to be provided as hard copy and kept securely with all other safeguarding documentation. This will need to be delivered by hand and signed upon receipt of the information. Safeguarding information will be destroyed when the child moves back to their home school.

11.6 We continue to operate under the Data Protection Act (2018) and the General Data Protection Regulation (GDPR). However, this is not be a barrier to sharing information for the purposes of keeping children safe.

## **12 Safer Recruitment**

12.1 Corley Centre is committed to providing children with a safe environment. We take safer recruitment very seriously and all staff and volunteers are subject to the necessary checks.

12.2 There are no circumstances in which a child or children will be unsupervised with an adult who has not been subject to all necessary safer recruitment checks. Any new members of staff, new volunteers or existing volunteers taking on new roles will be subject to all necessary safer recruitment check and this will be recorded on the Single Central Record.

12.3 Our safer recruitment practices strictly adhere to Keeping Children Safe in Education (2019).

12.4 If a member of staff or volunteer with a DBS check from a childcare setting, another school or another college temporarily moves to Corley Centre, a risk assessment will be completed to ascertain if a new DBS check is required before they work in regulated activity. The school will follow guidance set out in [Coronavirus \(COVID-19\): safeguarding in schools, colleges and other providers \(27<sup>th</sup> March 2020\)](#).

12.6 Any members of staff or volunteers transferring from another childcare or education setting will undergo induction training and we will seek evidence from their main setting that the member of staff has completed relevant safeguarding training in line with other similar staff or volunteers and they have read Part I and Annex A of Keeping Children Safe in Education.

## **13 Allegations of abuse against staff**

13.1 Corley Centre takes all allegations against staff seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (**September 2019**) and the **CSCP Guidance, 'Allegations against Staff and Persons in a Position of Trust'**.

13.2 If a concern or allegation of abuse arises against the Headteacher, it must be reported to the Chair of Governors without delay. In the event that the Chair of Governors is unavailable due to illness or other circumstance, concern must be reported to the deputy Chair of Governors

13.3 If a concern or allegation of abuse arises against any member of staff other than the Headteacher, it must be reported to the Headteacher without delay. In the event that the headteacher is unavailable due to illness or other circumstance, concern must be reported to the Deputy Headteacher

13.4 Allegations of abuse against staff should be not discussed directly with the person involved.

13.5 The Headteacher or Chair of Governors should consider if the allegation meets the threshold for Local Designated Officer (LADO) intervention. The LADO is operating as usual and referrals must be made through the online referral form here:

[https://www.coventry.gov.uk/info/206/coventry\\_safeguarding\\_children\\_partnership/2628/local\\_authority\\_designated\\_officer\\_lado](https://www.coventry.gov.uk/info/206/coventry_safeguarding_children_partnership/2628/local_authority_designated_officer_lado)

13.6 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours.

13.7 If a child has suffered, or it is suspected that they have suffered, abuse or harm, a MASH referral will also be made.

13.8 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to Corley Centre in managing the allegation. This service will still be provided throughout this period of emergency.

13.9 The procedure for whistleblowing is outlined in the school's main Safeguarding and Child Protection Policy.
