

Class 3 Art

Theme: Bright Lights, Big City

Autumn 2 Week 3

Ms Harris

Activity

Famous Landmarks - Junk Modelling

1. Collect used items from around your house - REMEMBER always ask a parent or carer first.
This could be things like; *cereal boxes, shoe boxes, toilet roll tubes, kitchen roll tubes, etc*
2. Use these recyclable items to build a 3D model of a famous landmark – look at the examples below to give you ideas.

Here are some websites to help you think of some famous landmarks from all around the world:
